

Curve Floor Lamp

<i>Designer</i>	Sona
<i>Collection</i>	amé
<i>Year</i>	January 2024

Product Description

An extraordinary lighting fixture that combines the elegance of two gently curved metal sheets with the soft, captivating glow of a polished alabaster ball. The centerpiece of this floor light is the alabaster ball, meticulously polished to reveal its innate luminosity. This alabaster sphere serves as the light source, casting a soft, diffused glow that bathes your space in an inviting and tranquil radiance. This floor light not only illuminates your surroundings but also stands as a work of art, merging contemporary design with timeless allure.
