

## Luna Side Table - Neutrals

<i>Designer</i>	Gunava
<i>Collection</i>	Ombre
<i>Year</i>	January 2024

### *Product Description*

Ombre- inspired wooden side tables offer a captivating fusion of design and craftsmanship that adds a touch of elegance to any interior space. Crafted from ash wood, the side tables showcase the natural beauty of the material, with its grain patterns subtly accentuated by the ombre finish. This design lends a sense of contemporary sophistication and celebrates organic and soft forms.

Luna side table comes with multiple legs that not only provide stability but also creates an intriguing visual. Luna combines modern design with a playful twist, making it a delightful addition to your space.
