<i>Designer</i>	Harshita Jhamtani Designs
<i>Collection</i>	Lush Console
<i>Year</i>	January 2024

Product Description

Lush – a sublime collection of marble consoles crafted to perfection. These robust designs seamlessly fuse strength with elegance, offering a versatile solution for your living space. With ample room for cherished possessions or the potential to serve as a planter's haven, Lush transcends the ordinary, creating an atmosphere of timeless sophistication. Elevate your interior aesthetic with the allure of marble, where functionality meets the artistry of nature's finest stones. Discover the epitome of style and utility in every piece of Lush.

The placement and sizes of rings on the console aren't evenly placed, which actually adds to its beauty. The green colour reminds you of lush forests and nature. This unique arrangement strikes a perfect balance between strength and elegance, inviting you to discover its charm and making your living space come alive.
