

## Kohiki Bottle Sculpture

<i>Designer</i>	Studio Klay
<i>Collection</i>	Interwoven Cultures
<i>Year</i>	January 2024

### *Product Description*

The Kohiki Bottle Sculpture is a captivating piece that re-imagines the traditional Japanese Kohiki technique by introducing an unexpected element – delicate spikes emerging from the surface. This fusion of classical craftsmanship with avant-garde design creates a sculpture that stands as a testament to the boundless possibilities within the realm of ceramic art.
