

## x+l Modular Sofa (Left Arm)

<i>Designer</i>	Phantom Hands x x+l
<i>Collection</i>	x+l Collection
<i>Year</i>	January 2024

### *Product Description*

The x+l 05 Modular Sofa set comprises of individual upholstered units available in 3 variants- without arms, with one arm (left or right) and with both arms. Individual units can be used in different combinations to form single, double or three seater options

Each unit has a seat cushion and a pair of back cushions. The sofa units are designed to be wide and spacious, with plenty of room for comfortable lounging. The legs and backrest of the sofa units are made of Burma Teak.

The x+l modular sofa is upholstered in a specially developed cotton/linen blend fabric called Andaman, produced by Zanav Home.
